

## CAREER OBJECTIVE

To secure a Web Development Internship where I can apply my front-end and back-end development skills, enhance my knowledge of modern frameworks, and contribute effectively to dynamic and user-centric web applications. [cite: 4] As a third-year B.Tech Computer Science student, I aim to gain practical exposure and experience in a professional software development environment.

## EDUCATIONAL QUALIFICATIONS

| Examination     | Institute                    | Year         | CPI/%        |
|-----------------|------------------------------|--------------|--------------|
| Graduation      | SPMVV, Tirupati              | 2023–Present | <b>8.8</b>   |
| Intermediate/+2 | Sri Chaitanya Junior College | 2021–23      | <b>97.5</b>  |
| SSC             | Sri Chaitanya Techno School  | 2020         | <b>10.00</b> |

## TECHNICAL SKILLS

- **Programming & Scripting Languages:** C, Java, JavaScript, Python, HTML, CSS [cite: 9]
- **Tools & Libraries:** ReactJS, NodeJS, Express.js, Tailwind CSS, MongoDB, ChromaDB, Git,  $\LaTeX$

## PROJECTS

### Offline Multimodal RAG Assistant

- Developed a local system for querying PDFs, documents, images, and audio without internet.
- **Technical Workflow:** Utilizes Retrieval-Augmented Generation (RAG) architecture for local data ingestion and chunking.
- **Data Processing:** Performs document chunking and creates Vector Embeddings using local models to ensure privacy.
- **Querying:** Retrieves relevant context from a Vector Database and passes it to a local LLM for precise responses.
- **Interface:** Built the interface using Streamlit for privacy-focused prototyping.

### Community Service Project

- Worked on a community-focused initiative involving social service and local engagement.

## CERTIFICATIONS & ACHIEVEMENTS

- Secured **1st Prize** in Poster Presentation competition on National Science Day.
- Secured **1st Prize** in college Group Discussion competition.
- Won **1st Place** in Tech Charades during technical fest.
- Achieved **2nd Prize** in Mech Talks seminar on Hybrid Vehicles.
- Certified in TCS iON Career Edge - Young Professional program.

## POR & EXTRA-CURRICULARS

- Participated in Mech Talks seminar on Hybrid Vehicles.
- participated in science day competition on poster presentation on crop fertilizer predictio(Agrogenie)
